COMMENTS:

Ephraim & Samuel 5th 11-2-19 print as well as Lauren Weiss, LV Ann Kuchert & Rebecca Davidson USDA

Lauren discussed OSS with him

reviewed records in photo of the unit - much better than previously
Had some follow up question to understand better + also had to ask for some extra info
signing in indicator, but they did have it. Next step will be to work on OSS.
Not sure about EVI for imp. to USDA looking at that angle. Most recent comments appear
to have been → slaughter
